Annual Report of Knowledge Enhancement Course (KEC): 2021-22

Introduction

India gained independence after a long struggle. Many citizens of the country sacrificed their body, mind and wealth for independence. The students have to be made to understand the importance of sacrifice through a discussion on Bhagat Singh. The students have to develop the greatest values of patriotism and love for the country.

Programs and Activities

There was a discussion on the topic “Shaheed Bhagat Singh” among the students and teachers.

Conclusion

Through the discussion on Shaheed Bhagat Singh, the students learnt that if there is passion and the right plan, anything can be done. The nation is supreme.

Department of History
Annual Report of Knowledge Enhancement Course (KEC): 2023-24

Introduction

The New Education Policy is trying to rise above the prevailing traditions of acquiring knowledge. An important link in this series of efforts by KEC is to understand the significant of saints in society and to know the importance of Museum Visiting in History and research. Become aware the importance of women power. To realize the role of press in society and nation during slavery and freedom.

Programs and Activities

There was a discussion on the topics 1- "Saint Guru Ghasidas" 2. "Museum Visiting" 3. "International Women's Day" & 4. "Word Press Freedom Day" among the students and teachers.

Conclusion

Through the above discussions, the students understood various aspects of different aspects in depth and also tried to share their views on them. They came to know about the impact of the teachings of Saint Guru Ghasidas Ji on the life of the people of Chhattisgarh. After visiting the Archaeological Museum, many kinds of thoughts and questions arose in her mind, which were answered by the professors of the department. The feeling of gender equality got strengthened among the students. Self-confidence was instilled in the girl students. The students developed confidence in the press and understood the role played by the press during the period of slavery in India. Students also expressed their views on the role that the press is playing and can play in the world in the changing environment.
