Department of Political Science

Annual Report of Knowledge Enhancement Course (KEC): 2021-22

Introduction

India gained independence after a long struggle. Many citizens of the country sacrificed their body, mind and wealth for independence. The students have to be made to understand the importance of sacrifice through a discussion on Shubhash Chandra Bose. The students have to develop the greatest values of patriotism and love for the country.

Programs and Activities

There was a discussion on the topic "Shubhash Chandra Bose" among the students and teachers.

Conclusion

Through the discussion on Shubhash Chandra Bose, the students learnt that if there is passion and the right plan, anything can be done. The nation is supreme.
