- **Software-Based Accounting:**
 - Insights into software-based accounting and career advancement opportunities.
- **Certificates and Scholarships:**

- The seminar offered certificates to all participants and included a scholarship program for students.

Key Highlights

- **Engagement:** The seminar aimed at equipping students with computer-based accounting skills.
- **Feedback:** Students appreciated the practical advice and personalized guidance provided during the seminar.
- **Impact:** The seminar significantly boosted students' confidence and preparedness for their career paths in accounting.

Conclusion

The one-day online seminar conducted by Rajeev Gandhi Government P.G. College in collaboration with Quantum Learning was highly successful. It provided students with essential tools and knowledge to navigate their career journeys effectively. The college plans to continue such initiatives to support student development and employability.

Report on Three-Day Workshop

Rajeev Gandhi Government P.G. College, Ambikapur

Dates: 30th October, 31st October, and 1st November 2021

Platform: Room No 12

Participants: UG final year students

Organized by: Sales force Developer Technology

Overview

Rajeev Gandhi Government P.G. College, Ambikapur, conducted a three-day workshop on Sales force Developer Technology. This workshop aimed to provide students with hands-on experience and knowledge about Sales force CRM technology and its applications.

Workshop Details

Day 1:

- **Introduction to Sales force CRM Technology:**
 - Overview of Sales forces CRM and its functionalities.
 - Hands-on session on creating custom objects and custom fields.

Day 2:

- **Advanced Sales force Features:**
 - Use of Global Pick list and Dependent Pick list.
 - Understanding relationships, validation rules, and important formula fields.

Day 3:

- **Deployment and Job Prospects:**
 - Deployment module and best practices.
 - Discussion on available job prospects in the Sales force ecosystem.

Key Highlights

- **Engagement:** The workshop provided practical, hands-on support to students, helping them understand and learn new software technologies.
- **Feedback:** Students appreciated the detailed sessions and the opportunity to work directly with Sales force tools.
- **Impact:** The workshop significantly enhanced students' skills and preparedness for careers in technology and CRM systems.

Conclusion

The three-day workshop conducted by Rajeev Gandhi Government P.G. College in collaboration with Sales force Developer Technology was highly successful. It equipped students with essential tools and knowledge to navigate their career journeys effectively. The college plans to continue such initiatives to support student development and employability.
