Action Taken Report

Session 2023-24

Action Taken Report for Teacher Feedback Academic Session 2023-24

1. Report on Academic Flexibility

Findings: 94.8% of respondents favor the provision of elective courses and the introduction of new courses based on needs.

Action Taken:

Implemented additional elective courses for the session 2023-24.

Established a committee to regularly assess and introduce new courses as per student and staff feedback.

2. Report on Linkage to Employability and Skill Development

Findings: 93.5% of respondents agree that the curriculum incorporates employability and entrepreneurship skill development.

Action Taken:

Integrated new modules focusing on employability skills and entrepreneurship into the curriculum.

Collaborated with local industries to provide workshops and internships for students.

3. Report on Integration of Values and Life Skills in Curriculum

Findings: 98.7% of respondents support the integration of social, moral, gender, environmental, and ethical values.

Action Taken:

Revised the Life Skills Curriculum to include comprehensive modules on values and ethics.

Organized seminars and workshops to promote awareness of these values among students.

4. Survey Report: Inclusion of Stakeholders' Suggestions

Findings: 93.6% of respondents believe stakeholders' suggestions are effectively included.

Action Taken:

Established a regular feedback mechanism to ensure continuous stakeholder involvement.

Scheduled quarterly meetings with the Board of Studies to discuss and implement suggestions.

5. Survey Report: Co-Curricular and Extra-Curricular Activities

Findings: 93.5% of respondents agree that activities are focused on overall personality development.

Action Taken:

Expanded the range of co-curricular and extra-curricular activities offered.

Developed a structured program for personality development workshops and activities.

6. Report on Curriculum Revision & Relevance

Findings: 97.4% of respondents support the curriculum revisions based on trends and local needs.

Action Taken:

Conducted a comprehensive review of the curriculum to align it with current trends and local requirements.

Allocated resources for ongoing curriculum development and revision processes.

Conclusion

The feedback collected has been instrumental in guiding the actions taken for the academic session 2023-24. The institution remains committed to enhancing the educational experience by continuously adapting to the needs of students and stakeholders. Regular assessments and feedback mechanisms will be maintained to ensure the effectiveness of the implemented actions.
