**Action Taken Plan For for Slow and Advanced Learners**

**Action Taken Plan For for Slow Learners**

- Early screening and identification of special needs of students.
- Involvement in co-curricular and extra-curricular activities.
- Workshops specifically designed for students
- Involving students in social responsibility initiatives outside the campus.
- Peer tutoring is encouraged for easier understanding of the text and material.
- Counselling sessions are organised for special students.
- Open book assignments are given.
- Schedule for extra classes is prepared for remedial sessions.
- Regular meetings with mentors are organized to document progress.
- Special sessions on empowerment are organized for students.
- Mapping of the courses is done with practical tasks so as to provide the opportunity to diverse learner.
- Learning through demonstration was preferred.

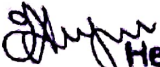

**Action Taken Plan For for Advanced Learners**

Students who have been identified as advanced learners are provided special help and assistance in their academic progress.

- Special training for entrance examination is organized.
- Field trips and archaeological site visit are planned for students.
- Additional mentoring sessions are organized.
- Special sessions by experts are organized.
- Mentoring for students looking at entrepreneurial ventures.
- Encouragement for attending/ conducting/organizing workshops related to the interest area of student.
- Encouragement to write research papers based on experiential learning.
- Assistance/guidance for participation in national level competitions.

**Outcomes**

The above steps are showing positive results by way of an improvement in the overall performance and confidence level of students who need special help and assistance.
