

### **APPROPRIATE ACTIONS TAKEN FOR SLOW LEARNERS:**

1. Remedial classes were conducted with appropriate focus on the areas in which students were lacking proper understanding.
2. Individual academic counselling was done in order to motivate them for better performance.
3. Group discussions and role-playing was also included to make teaching learning more interactive,
4. Providing additional assistance in writing practice.

### **Outcome :**

After implementation of above mentioned actions, certain positive changes were observed in the performance of slow learners-

1. Better understanding of concepts.
2. Relevance of textual subjects in real life.
3. Increased confidence in class discussions.
4. Enhanced critical thinking.

### **APPROPRIATE ACTIONS TAKEN FOR ADVANCED LEARNERS:**

1. Knowledge Enrichment Circle : regular meeting of advanced learners in order to maintain and develop high order thinking skills under the guidance of department teacher.
2. They were further guided in writing research papers, articles, etc.
3. Model question papers according to the latest pattern in competitive examinations (NTA NET, CGSET etc.) were given to them .
